11/17/2020

As Alex mentioned on the call with the Florida Keys Environmental Coalition, EPA is an Agency of records and the Florida Keys Environmental Coalition should read the records related to this action. It seems to us that it is unclear that they have.

Ex. 5 Deliberative Process (DP)

Claim #1: Zhao *et al.*, 2020 publication demonstrates survival of female mosquitoes. Oxitec's GE mosquitoes may have surviving females.

Ex. 5 Deliberative Process (DP)

Claim #2: Tetracycline-resistant bacteria. This topic was discussed in the Response to Comments.

Ex. 5 Deliberative Process (DP)

Claim #3: Wild female mosquitoes may acquire GE proteins through mating with OX5034 males and expose people through biting

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Claim #4: Female survival rate is different from those reported; Supporting information: Cayman island sorting rate - data on female survival

Ex. 5 Deliberative Process (DP)

Claim #5 We need an EIS to calm people down.

Ex. 5 Deliberative Process (DP)

Claim #6 People are being tested against their will with references to Nuremburg, Helsinki
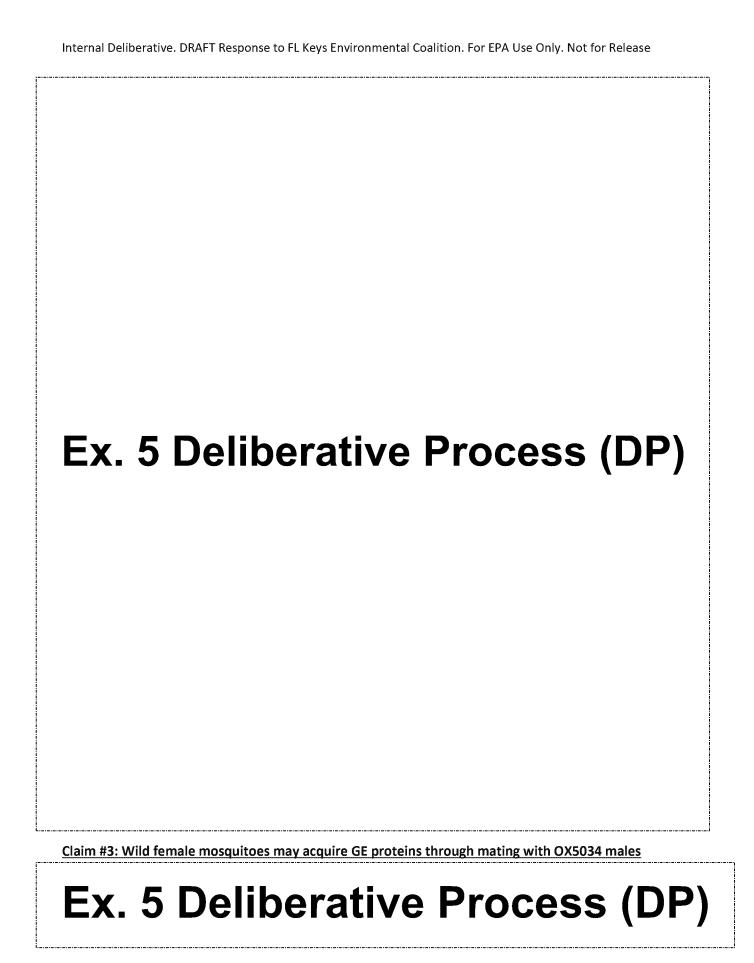

Ex. 5 Deliberative Process (DP)

Background

Claim #1: Zhao _et al._, 2020 publication demonstrates survival of female mosquitoes
